AMENDMENT AND RESPONSE

Dear Sir:

In response to the Office Action mailed May 8, 2002 the applicant responds as follows:

IN THE DRAWINGS:

A new Figure 2 is enclosed. Please substitute the new Figure 2 (enclosed herewith) for the Figure 2 that was originally filed with the application. No new matter has been added.

REMARKS

In the Office Action, the drawings were objected to because reference numeral "204" was used to designate two (2) different flow diagram blocks. New Figure 2 uses reference numeral "205" in place of the second occurrence of reference numeral "204." No new matter has been added.
